EA ESTABLISHES EA EDUCATION CENTER

Date: September 18, 2015

Symbol: EA

Toronto, Ontario, Canada, September 18, 2015 – EA Education Group Inc. (the “Company” or “EA”) (CSE: EA) is pleased to announce that the Company establishes an EA Education Center at its existing premises in Toronto. This education center will provide a variety of after-school academic and recreation programs for both primary and secondary school students. The education center holds its first open house on September 18, 2015.

In addition to providing supervision, EA Education Center aims to be an after-school community learning centers instructing students in fields of importance to academic achievement, providing opportunities for academic enrichment and providing social, cultural, and recreational activities.

Taking the advantage of its unique educational resources and funding capability, the Company will continue to establish more EA Education Centers across the Greater Toronto Area in the future.

About EA Education Group Inc.

The Company is a leading Toronto-based provider of (i) international education services, (ii) comprehensive student housing services for international students in Canada. Its educational services are currently primarily for international junior and senior high school students, however it has an intention of widening the services it offers to include Canadian students and other age groups. It is also an active promoter of international education & cultural exchange between Canada and China.

The Company aims to be a high quality, one-stop educational services provider to students from overseas, aiding them in accessing prestigious Canadian educational institutes and the opportunity to learn under world-class learners. The Company currently delivers to international high school students certain advisory and complimentary services that assist them in undertaking and improving their education experiences in both Canada and China. The Company provides services that bridge the gap between students’ needs for practical training and employers’ demand for trained professionals.
